Comment utiliser le livret de maison ?

1. Présentation du livret

Le livret de maison conçu dans le cadre du programme « Lecture Pour Tous » est destiné aux élèves du Cours préparatoire (CP) de l'école élémentaire. C'est un outil qui permet, après les apprentissages en classe, d'accompagner l'élève pour un travail de remédiation, de renforcement à domicile et d'augmentation des opportunités de lecture. Le livret est structuré selon le même modèle que le livret de classe.

2. Conseils aux parents

- Veiller à une bonne préservation du livret ;
- Mettre l'enfant dans un endroit calme avant de le faire lire ;
- Le faire lire à haute voix au moins pendant 15 minutes par jour toute la page de la leçon du jour ;
- Utiliser les symboles et pictogrammes pour l'orienter et lui permettre de se positionner sur les lignes de lecture ;
- L'écouter et lui apporter l'aide nécessaire en termes de remédiation, en revenant sur ses principales difficultés ;
- Veiller à ce que l'élève dispose d'un cahier d'exercices dans lequel, il exécute les tâches qui lui sont données ;
- Veiller à ce que l'élève ramène son livret et son cahier d'exercices en classe chaque vendredi matin ;
- Veiller à une application des suggestions de l'enseignant(e).

3. Les symboles et pictogrammes

Les symboles et pictogrammes utilisés permettent à l'élève d'avoir des repères pour se positionner au niveau des éléments à lire. Il s'agit d'éléments très familiers qu'il connaît déjà.

	Chanson de l'alphabet
	Apprentissage des lettres
	Lecture de syllabes

	Lecture de mots
	Lecture de phrases
	Lecture de paragraphes

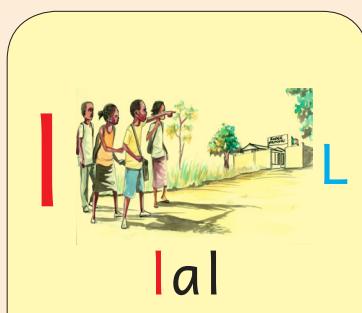

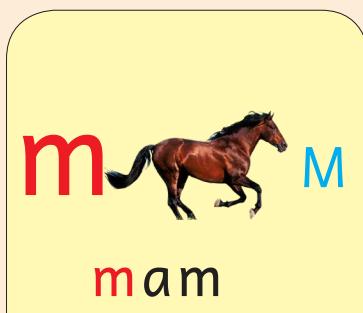

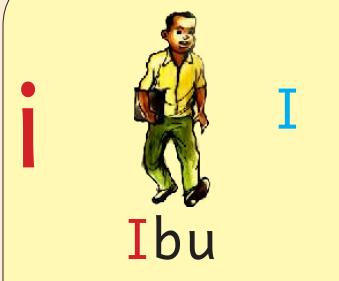

Des symboles sont également utilisés pour permettre à l'apprenant(e) de se positionner d'abord en prelecture sous les 5 différentes rangées de la chanson de l'alphabet (, , ,  et ).

Et dans les autres leçons à tous les niveaux, de la révision de lecture de lettres à lecture de paragraphes (, , , , , , , ...).
